A Software Engineering graduate with hands-on experience across mobile development, software quality assurance, and system development. Demonstrates a strong ability to adapt to different roles, from building Flutter applications and integrating APIs to performing structured testing and analyzing system workflows. Experienced in collaborating with cross-functional teams, validating data integrity, and improving system reliability through both development and QA practices. Passionate about contributing to impactful digital solutions while continuously expanding technical and business understanding.

EDUCATIONAL LEVEL

TELKOM UNIVERSITY

Bandung, West Java

Bachelor of Software Engineering | GPA: 3.68 / 4.00

August 2020 - December 2024

- Relevant Coursework: Software Development, Software Quality Assurance, Mobile Programming, Web Programming,
- Achievement: Cum Laude with a GPA of 3.68
- Capstone Project at Bandung Techno Park (2023–2024): Developed a queue management mobile application for the food & beverage sector using Clean Architecture.
- Semifinalist in UI/UX Public Services at the National level in the X-Project 9.0 Informatics Championship 2023

WORK EXPERIENCE

PANASONIC MANUFACTURING INDONESIA

East Jakarta, Jakarta

System Developer, Probation Period

August 2025 - October 2025

- Analyzed and documented HRMS data flows related to employee records, leave, and approval processes
- Identified data inconsistencies and manual processing issues in HR administrative workflows
- Performed SQL query tracing and data verification to support user requests and issue resolutionAssisted in converting static email notifications into dynamic, database-driven notifications, ensuring data accuracy and consistency

BANDUNG TECHNO PARK (Antria Startup)

Bandung, West Java

Flutter Android Mobile Developer, Internship

January 2024 - September 2024

- Worked with structured API data and application state validation
- Conducted User Acceptance Testing (UAT) to ensure data accuracy and functional reliability
- Collaborated with stakeholders to verify business rules and data behavior

SUCOFINDO

Bandung, West Java

Flutter Android Mobile Developer, Internship

September 2023 - December 2023

- Designed REST APIs using Express.js and MongoDB, focusing on structured data flow
- Integrated APIs with proper error handling and response validation
- Supported data integrity through token-based authentication and state management

PT LONTAR DIGITAL ASIA

Bandung, West Java

Flutter Android Mobile Developer, Internship

July 2023 - August 2023

- Integrated applications with Firebase (Authentication, Firestore, Storage) and validated data consistency
- Performed manual testing and data verification to improve application reliability
- Assisted in identifying data-related issues affecting user experience

TELKOM DIGITAL BUSINESS AND TECHNOLOGY (TELKOM DBT)

Bandung, West Java

Software Quality Assurance, Internship

March 2023 - August 2023

- Created test plans, test cases, and test reports based on structured functional requirements
- Conducted manual testing on API-based systems (24 test cases, positive & negative scenarios)
- Identified and documented 13 defects, including validation, authentication, and endpoint issues
- Produced structured test and bug reports using Excel and HTML (Newman), strengthening documentation quality

SKILLS, BOOTCAMP & ACHIEVEMENT

Bootcamp : • **Intensive Bootcamp Flutter for Mobile Development Batch 19, 2023**

URL Certification: <https://bit.ly/4dTm7lw>

• **Quality Assurance, Telkom Digital Business and Technology, 2023**

URL Certification : <https://bit.ly/3N8HQdf>

Achievement : Semifinalist in UI/UX Public Services at the National level in the X-Project 9.0 Informatics Championship,
Universitas Negeri Surabaya

URL Certification : <https://bit.ly/3LqJAKH>

Soft Skill : Teamwork, Collaboration, Attention to Detail, Time Management

Hard Skill : Software Development, Software Testing, Mobile Programming (Flutter & Dart), Manual Testing, Automation Testing (Katalon, Newman), Figma, Canva, Microsoft Word, Microsoft Excel, Microsoft Power Point, Project Management Tools (JIRA, Trello)

Language : Indonesia (Native), English (Intermediate)
